Important Information:

We want all of our High School Students who attend this trip to discover their ministry for Christ. The goal of these missions projects is for our students to do all of the ministry and in doing so, learn how to serve God and understand His heart on a deeper level. In order for this to happen we will have training meetings. We will need to train the students in recreation, Bible stories, Bible memorization and sharing the gospel. The training meetings are MANDATORY and students must be at 4 of the 5 in order to be a part of our mission trip
